

DECLARATION OF ORIGINALITY AND RIGHTS

Mr./Ms. Editor of PODIUM:

Having read the section policies and guidelines for PODIUM authors, I consider that this journal is the ideal one for the publication of our work.

The author(s) certifies (certify) that this work has not been published, nor is it in the process of being considered for publication in any other journal.

The author(s) certifies (certify) that they have the informed consent of the research participants (in the case of scientific articles).

The author (s) is (are) responsible for its content and for having contributed to the conception, design and performance of the work, analysis and interpretation of data, and for having participated in the writing of the text and its revisions, as well as in the approval of the version. which is finally remitted.

The introduction of changes in the content, if any after the revision, and of changes in the style of the manuscript by the PODIUM editorial team, are accepted.

TRANSFER OF COPYRIGHT AND CONFLICT OF INTEREST STATEMENT

When an article is approved, the author(s) retain the copyright and grant(s) to PODIUM the right to be the first to edit, reproduce, display and communicate it through printed and electronic media.

PODIUM is published under a Creative Commons Attribution-Non-Commercial 4.0 International license (CC-BY-NC 4.0), which allows sharing (copying and redistributing the material in any medium or format) and adapting (remixing, transforming and creating to starting from the material), under the condition that the corresponding credits are given to the author and the journal and no commercial use of the materials is made.

The partial or total reproduction of the articles published in PODIUM is authorized, provided that the source is properly cited and it is used without commercial purposes.

The undersigned author(s) partially transfer the property rights (copyright) of this work to the Universidad Espíritu Santo, for the printed and online editions.

It also declares to have respected the ethical principles of research and to be free from any conflict of interest.
